Clark Announces Lunchtime Concert Series at Bethesda Metro Park

Music and food are back on the plaza at Bethesda Metro

Bethesda, MD – 9 June, 2015. For the first time in history, Clark Enterprises is sponsoring a lunchtime concert series at Bethesda Metro Park on June 12, 2015 at 7500 Old Georgetown Rd. The concert will be from 11:30am – 1:30pm and there will be food vendors including Geppetto Catering Company (BBQ) and Fat Frankie’s Pizza surrounding the metro plaza. Clark Enterprises will be scooping free ice cream throughout the event as well. This concert series will take place every Friday in June and the first band that is performing is The David Andrew Smith Trio. The next band is on June 19 and is The Phil Kominski Trio. Lastly, rounding out the end of our lunchtime series’ on June 26 is The Jason Masi Trio.

A representative from Clark Enterprises, Jim Clark said, “This metro park area right by the fountain on the corner of Old Georgetown is a perfect place to catch the attention of workers on their lunch break and what better way to catch their attention then with music and food trucks!” In the past, there have been events and concerts held on this metro plaza before but as of late, this park has been unused and forgotten by Bethesda workers and residents. Clark Enterprises would like to change that and bring life into this park once again with the sounds and smells of great music and food.

About Clark Enterprises

Like Clark Kent, this firm holds some super powers. Clark Enterprises, Inc. (CEI) is a holding company with diverse investments in real estate, construction, financial markets, and venture capital. Its flagship subsidiary Clark Construction Group is one of the largest private general contractors in the US, providing construction management, design/build, and consulting services. Other CEI units develop, manage, and lease residential and office real estate. Private equity and venture capital arm CNF Investments manages \$350 million in capital and invests in the technology, healthcare, oil and gas, social media, and education sectors. Founded in 1972, Chairman and CEO James Clark still owns CEI.
