Dear Mr. Tierney,

Students need laughter in their lives. Students need to let loose and forget about the day-to-day struggles of being a college student. Students need cheap events on campus to attend and unwind. Well Mr.

Tierney, I have just the event for you to publish in your next edition of the breeze. The University Program Board is bringing Natasha Leggero, a popular comedian, to Wilson Hall on November 7, 2014.

Leggero has a heartwarming and coming of age story about falling into her quirky career path of being a stand-up comic. From leaving her dead-end town in Illinois to one day finding herself on a small stage on open mic night and filling the room with an eruption of laughter. Her story has ups, downs, triumphs and failures. She came from humble upbringings to selling out some of the biggest theatres on the Nation.

Her fame doesn't just end on the stage; Leggero has been in Movies and TV shows such as: The Neighbors, Arrested Development and The Roast of James Franco on Comedy Central. My news feature which is attached in this email, is a perfect suit for The Breeze because it gives an in depth look at the life and times of Natasha Leggero, just in time before she takes our stage in Wilson Hall on November, 7.

Thank you for your time and consideration and I will be in touch soon.

Sincerely,

Colin Hautman
